

SP-3020/6030AS-H/CF Automatic Punching and Pattern Sewing Machine

SP-3020/6030AS-H/CF

www.suprena-sewing.com

Mainly used for shoes, bags and caps, this machine, with one feed, can finish three procedures: punching, embroidery and sewing.

One worker can operate many machines based on the automatic operating. The punching area is 0.8mm-6mm.
